ABOVE & BEYOND

LEARN ABOUT LAW

An exciting programme for secondary school and college students, who may be interested in studying law or criminology at further education.

- **WHAT IS LAW?**
- **WHY STUDY LAW AT A-LEVEL OR UNIVERSITY?**
- **MEET THE LEGAL TEAM**
- **LEGAL SKILLS**
- **DEBATE/MOCK TRIAL WORKSHOP**

Our team provide an innovative and interactive programme delivered by experienced solicitors, barristers and paralegals.

THE WORKSHOP

● What is law?

Students gain an insight into the British legal system through interactive videos and presentations. Students find out about key differences between the Crown and Magistrates court.

● Why study law at A-Level or University?

This session outlines the key benefits of having a law degree and its pathways to other professions. Students are able to find out how to apply to study law, and identify some great tips for how to maximise their potential when studying law.

THE WORKSHOP

● Meet the legal team

A great opportunity to find out more about our diverse guest speakers, as they share their experiences getting into the legal profession and answer student questions.

● Legal skills

A practical workshop which allows students to explore a range of useful skills needed to become a lawyer from forming debates, analysing arguments around contemporary issues.

● Debate or Mock trial workshop

An opportunity to debate different motions relating to complex legal issues such as capital punishment, marriage equality, animal rights and many more. Our mock trial offers students a thrilling experience of what it would be like to be in a courtroom. As students engage in planning and presenting arguments with support of the learn about law team.
